Also to be announced:

The MHJA would like for you to be aware of other opportunities that are made possible to our members such as:

The MHJA Scholarships can be applied for by any interested high school senior that is a current MHJA Member, or any current MHJA Member that is planning to attend or currently enrolled in a college or approved trade school. Applications are on the MHJA website.

The Keara Belle Obrzut Equitation Grant is available for application to any that will be competing in an MHJA Medal Final Ride Off at the MHJA Horse Shows in the fall. The application process is time sensitive, so please plan ahead, and familiarize yourself with the grant and how to apply.

Additionally, our sport of showing horses is deeply steeped in tradition. Perhaps the most illustrious tradition, is our annual Sportsmanship Award. Each year, a Junior and an Amateur rider join this most prestigious list of Sportsmen that came before us, and paved the way for Showing Hunters and Jumpers in the state of Michigan. As we go through the summer circuit, please consider who you think demonstrates this most important quality in competition: Sportsmanship. Nominations can be made anytime between now and the end of September.

For more information on becoming an MHJA Sponsor, applying for an MHJA Scholarship, applying for the KBO Equitation Grant, or nominating a Sportsman, please visit www.mhja.org/documents, or see an MHJA Representative.
